INTRODUCTION:

About Right to Information Act 2005

Bringing information to the citizens. Right to Information Act 2005 mandates timely response to citizen requests for Government information. It is an initiative taken by the Department of Personnel and Training, Ministry of Personnel, Public Grievances, and Pension to provide a-RTI portal Gateway to the citizens for quick search of information on the details of first Appellate Authorities, P.I.O.s, etc., among others, besides access to R.T.I. related information/ disclosures published on the web site by various Public Authorities under the Government of India as well as the state Governments.

Objectives of the right to information act:

The primary object of the right to information act is to empower the citizens, promote transparency and accountability in the working of the government, contain corruption, and make our democracy work for the people in an absolute sense. The act is a big step towards making the citizens informed about the activities of the government. an informed citizen is better equipped to keep necessary vigil on the instruments of governance and make the government more accountable to the governed.

Shri Rambhau Moze founded the Genba Sopan Moze Trust in 1996. He is the founder chairman of this Trust. He took inspiration from Shri Genba Sopanrao Moze, who was a visionary Comparator of Pune Municipal Corporation. He was representing the Yerawada constituency of Pune Municipal Corporation. He took a keen interest in the Education Committee of the corporation and observed the educational situation of his constituency. He monitored the schools run by Pune Municipal Corporation in his constituency with zeal and care. He succeeded and motivated the people to educate their children. Shri Rambhau Moze has been carrying this mission and tries to provide quality education to the masses of the Pune District.

Since its existence, the Genba Sopan Moze Trust has been rendering educational services to the deprived students of Pune District. The main aim of the founder is to develop the students by providing excellent educational facilities to meet the expectation of the government, business houses, banks, and public undertakings

The college works on the following mission, vision, objectives, and Core Values.

MISSION:

To impart quality education through a practical and well-monitored teaching-learning process. To achieve excellence by encouraging overall development and discipline in the students.

To provide career opportunities to the students and strengthen industry-institute–community interaction.

To make the students global citizens and a person with social and ecological concerns.

To create technically qualified world-class professionals with social commitment through career-oriented courses, globally interactive Teaching-learning processes, and leading-edge technology.

To create a learning environment by fostering intellect and ethical values.
To groom the students' minds with the help of competent human resources.
To impart quality education among the students.
To nurture bonding among reputed national institutions, society, public undertakings, and industries.

VISION:

To emerge as a center of excellence and develop the campus in a High Tech Complex soon.
To prepare globally potent Students.

To inculcate values of social awareness and humanism in the students.

To create a passion for creativity in the students and prepare them for facing the challenges of the contemporary world.

To emerge as a center of high-tech learning

CORE VALUES:

1. Four values dignity, truthfulness, fairness, and responsibility & freedom.
2. Personal core values authenticity, Commitment, Compassion, Concern for others, Consistency, Courage and dependability, Accountability. Honesty and Integrity.
